L C BLANTON
10011 LOSA DR
DALLAS, TX 75218

Dear L C BLANTON,

Because your home is probably one of your most valuable assets, it's important for you to make sure that you've got the coverage you need, *at a price you like*.

Your homeowner's policy is due to renew on or about: Feb 18. In order to help make shopping around for a homeowner's policy a little easier, we've prepared an Allstate Fire and Casualty Insurance Company estimate based on information we obtained from public records. For purposes of this estimate, we've assumed that your home can be replaced at a cost of \$156,398. However, if the actual replacement cost of your home is greater or less than this amount, your policy premium will vary accordingly. With more information about your home, we can develop a detailed estimate.

The estimate also assumes a standard deductible of 1% and includes a Claim-Free Discount and a Protective Device Discount for which you may qualify. Of course, all discounts are subject to availability and qualifications.

While the estimate we've prepared may not match your current policy coverage exactly, it's our hope that it can help give you an idea of how our prices compare.

I would appreciate the opportunity to sit down with you to prepare a more detailed estimate based not only on specific information about you and your insurance needs, but based also on any discounts for which you may qualify. If you'd like to learn more about the products and services that Allstate offers, please feel free to give me a call or stop by my office.

Sincerely,

Agent A Name
